§ 14.561 Administrative action prior to submission.

Before a submission is made to the U.S. Attorney in cases involving personnel or claims, the General Counsel, if the file is in Central Office, or the Regional Counsel at the regional office, hospital or center, if the file is in the regional office or other field facility, will first ascertain that necessary administrative or adjudicatory (forfeiture (see Pub. L. 86-222; 73 Stat. 452), etc.), action has been taken; except that in urgent cases such as breaches of the peace, disorderly conduct, trespass, robbery, or where the evidence may be lost by delay, or prosecution barred by the statute of limitations, submission to the U.S. Attorney will be made immediately.

§ 14.562 Collections or adjustments.

When it is determined that a submission is to be made to the U.S. Attorney, no demand for payment or adjustment will be made without the advice of the U.S. Attorney. However, if, before or after submission, the potential defendant or other person tenders payment of the liability to the United States, payment will be accepted if the U.S. Attorney has no objection. If the U.S. Attorney determines that prosecution is not indicated, or when prosecution has ended, the file will be returned to the appropriate office with a report as to the action taken.
